Pfaender – The mountain on Lake Constance

The Pfaender (1064 m), with its unparalleled views of Lake Constance, Germany, Austria, Switzerland and 240 alpine peaks, is the most famous lookout point in the region.

Two observation points on the Pfaender provide information about the lake region and the alpine peaks.

Whether hiking, cycling, exploring the alpine wildlife park, or simply enjoying the view from the terrace of the restaurant, your day on the Pfaender will be an unforgettable experience.

Pfaender Alpine Wildlife Park

A special attraction for the whole family: The most magnificent specimens of our native wild animals live in the spacious alpine wildlife park next to the mountain station – learn about their behavior in their natural environment. Admission is free.

On a 30-minute loop with an educational nature trail that provides information about the fauna and flora, you will see Alpine ibexes, red deer, wild boar, mouflons, and marmots.

Children especially love the small animal enclosure with dwarf goats and rabbits. Next to the alpine wildlife park is a large playground with an alpine slide, basket swings, rocking characters and jungle gyms.

Berghaus Pfaender Restaurant

is open daily from 9:30 a.m. to 6:30 p.m. during the summer season from May 10 to September 23, 2019.

The rustic self-service restaurant has a dining terrace from which you can see the entire region where Austria, Germany, and Switzerland meet and the 63 km long, 14 km wide, and 252 m deep Lake Constance.

All day long you can treat yourself to delicious meals, hearty daily specials, home-made cakes and strudel and great snacks. On the first floor, there is a serviced restaurant for tour groups, company groups, and clubs. Reservations are required. Please ask for the menu suggestions. Berghaus Pfaender is also open upon request in the evenings for groups of 30 or more people.

During the winter months, the traditional alpine inn Gasthaus Pfaenderdohle, which is an 8-minute walk below the Pfaender top cable car station, is open daily from 9:30 a.m. to 6:30 p.m.
